Dear citizens of Coalinga & Huron;

CHRPD has received many phone calls asking us why we have not opened our Fitness Centers yet since the city of Coalinga deemed all businesses essential services.

Our Fitness Centers in both Coalinga and Huron will remain closed until the proper phase has been implemented. Our staff is working hard to ensure a clean and healthy environment in all of our facilities. Please follow our website and Facebook any for updates on the facilities.

As a "Special District" we follow what the State of California has put out for re-opening phases and facilities and will be preparing our facilities for our members. CHRPD appreciates the community's patience and continued support.

We will be so excited to have all our members back with us. We really miss you.

Stay Safe,

Lisa Gonzalez
